

BUGATTI SHARES EXCLUSIVE ACCESS TO THE DEBUT OF ITS ALL-NEW HYPER SPORTS CAR WORLD PREMIERE

Join the virtual debut tomorrow (8 June) at 10:00 CEST and be one of the first to see the latest extraordinary creation from Bugatti. The world premiere of the latest hyper sports car from Molsheim will take place on: <https://newsroom.bugatti/world-premiere>

Even from a teasing silhouette, the next hyper sports car from Molsheim is unmistakably a Bugatti. The unique visual cues that shape its design give it characteristics steeped in a rich heritage without being bound by history and promise performance like no other car on earth.

Ahead of the full launch of Bugatti's newest hyper sports car, due to be revealed at **10:00 CEST** on **Tuesday, 8 June**, the French luxury marque gives a glimpse of the new model.

To avoid missing a rare opportunity to see the full Bugatti reveal, make a note of the web link (<https://newsroom.bugatti/world-premiere>) that will give you exclusive access to the virtual event, in which Bugatti fans around the world will be able to see the French luxury marque proudly debut its newest hyper sports car.
