THE NEXT CHAPTER OF BUGATTI AUTOMOTIVE ARTISTRY: AUGUST 7TH

For over a century, the pursuit of singular automotive artistry has defined Bugatti. In the 1920s and '30s, Jean Bugatti brought the art of coachbuilding in-house at a time when many manufacturers were simply providing chassis and powertrains to be bodied by specialist artisans. Through his artistic vision, timeless masterpieces like the Type 57 SC Atlantic were born.

On August 7th, Bugatti unveils the latest chapter in this long lineage of bespoke masterpieces, revealing both a new ultra-exclusive program of one-of-one cars, as well as its first creation. It's a celebration of grace and elegance, rooted in the unique artistry and heritage of the Bugatti story, our latest Solitaire.
