BUGATTI AT AUTO CHINA VOLKSWAGEN GROUP NIGHT 2015

As a special tribute to the fans in China and to highlight the importance of the Chinese market, Bugatti presented the fastest production road car in the world at the Volkswagen Group Night, which took place this Sunday on the eve of the first press day of Auto China motor show in Shanghai.
The Veyron 16.4 Super Sport drove the world speed record in 2010, achieving a top speed of 431.072 km/h and has been undefeated ever since. With this presentation Bugatti gave the Veyron a very special farewell from China, as all 450 Veyrons have been sold. ''While we are preparing for the next chapter at Bugatti, we remain fully committed to the Chinese market'', said Bugatti president Wolfgang Dürheimer at the presentation.
